

## SD360

### Wireless Ceiling-Mounted Smoke Detector (made by Everyday)

#### Features

- One high-sensitivity photoelectric smoke sensor
- Test/Mute button
- LED operation indicator
- Battery operated
- Built-in siren (85dB at 3m)
- Available in 433MHz or 868Mhz (868Mhz RF not yet certified)
- ETL/ETLc certification at 433Mhz only

#### Technical Specifications

<b>Sensitivity</b>	0.091 – 0.149dB/m, 1.31-2.28%/ft
<b>Detector Audibility</b>	85dBA@3m
<b>Warning Sound Pattern</b>	Three Pulse temporal pattern
<b>Battery Life</b>	One year
<b>Radio Frequency</b>	433 MHz/868 MHz
<b>Relative Humidity</b>	10~85%
<b>Size</b>	120mm diameter x 5.3mm depth
<b>Battery Power</b>	3V lithium battery, Duracell DL 123A or Panasonic CR123A
<b>Operation Temperature Range</b>	0~49°C (32°F~120°F)
<b>Wireless Range</b>	5m (115ft) with MG6250 70m (230ft) with MG5000, MG5050, and RTX3
